

HALFLING ROGUE 1

“Could you keep the screaming down a bit? I’m kinda busy here.”

You’re completely self-sufficient. If you need something, you take it. If someone else has it, they don’t anymore. Necessity trumps silly laws of possession.

You weren’t a desperate orphan, scratching out a living on the mean streets. Neither were you a noble poser, slumming for excitement. No, you are a master of adaptation to your environment—be it urban, dungeon, or the wild.

BACKGROUND (CRIMINAL)

You are an experienced criminal with a history of breaking the law. You have spent a lot of time among other criminals and still have contacts within the criminal underworld. You have survived up to this point by flouting the rules and regulations of society.

Your expertise is burglary. You are unmatched at getting into tight spaces and locked rooms, and getting back out again richer and none the worse.

Criminal Contact. You have a reliable and trustworthy contact who acts as your liaison to a loose network of other criminals. (This is not a formal organization like the Zhentarim.) You know how to get messages to and from your contact, even over great distances, using local messengers, corrupt caravan masters, and seedy sailors.

Faction. You are a member of the Harpers, a clandestine network of spellcasters and spies that seeks to tip the scales in favor of the innocent, the weak, and the poor.

Personality Trait. You are always calm, no matter what the situation.

Ideal. Everyone should be free to pursue his or her own livelihood.

Bond. You are loyal to your friends, not to any ideals.

Flaw. When you see something valuable, you can’t think of anything but how to steal it.
