

HUMAN BARBARIAN 9

"The wild is in my blood."

Hailing from the northern lands, you are a stranger to civilization. Yet you travel wherever need guides you, fighting those who would despoil the wilderness. You have faced encroaching evil from monsters to greedy humans. You take what you need, and feed the ground with the blood of such enemies.

BACKGROUND (OUTLANDER)

You grew up among tribal nomads, far from civilization and its comforts. You've hunted great herds, survived extreme weather, raided the trade of softer folk, and protected places sacred to your people. At times, you've enjoyed the solitude of being the only sentient creature for miles in any direction. Even in places where the terrain is new, you know the ways of the wild.

Wanderer. As a former barbarian nomad and raider, you have an excellent memory for maps and geography, and you can always recall the general layout of terrain, settlements, and other features around you. In addition, you can find food and fresh water for yourself and up to five other people each day, provided that the land offers enough.

Faction. You are a member of the Emerald Enclave, wilderness survivalists who preserve the natural order while rooting out unnatural threats.

Personality Trait. You place no stock in refined manners or wealth.

Ideal. Life is constant change, and you must change with it to survive.

Bond. You take the despoiling of the wilderness and sacred sites as a personal insult.

Flaw. There's no room for caution in a life lived to the fullest.
